

SAFETY DATA SHEET

Pomegranate Extract Powder 100:1 • BLP-PGE-260915-25 • OSHA HCS / GHS

1. IDENTIFICATION

Product name: Pomegranate Extract Powder 100:1
INCI: Punica Granatum Extract **CAS:** 84961-57-9
Lot: BLP-PGE-260915-25 **Batch size:** 25 kg
Manufacture: 15 September 2026 **Expiration:** 15 September 2028
Recommended use: Cosmetic ingredient. External use only. Not for ingestion or injection.
Supplier: BeautyLabPro / Korabielnikov LLC, Florida, United States
Emergency: +1 813-248-0585

2. HAZARD IDENTIFICATION

GHS / OSHA HCS: Not classified as hazardous.
Signal word / pictograms: None.
Hazard statements: None assigned.
Other hazards: Dust may cause mechanical eye or respiratory irritation. Natural botanical powder.

3. COMPOSITION / INFORMATION ON INGREDIENTS

Component	CAS	Role
Punica Granatum Extract (100:1)	84961-57-9	Botanical active

4. FIRST-AID MEASURES

Inhalation: move to fresh air if dust inhaled. Skin: wash with soap and water. Eyes: rinse cautiously with water. Ingestion: rinse mouth. Seek medical attention if symptoms persist.

5. FIRE-FIGHTING MEASURES

Suitable media: foam, dry chemical, CO2, water spray. Organic dust may form combustible mixtures in air. Avoid dust clouds.

6. ACCIDENTAL RELEASE MEASURES

Avoid generating dust. Sweep or vacuum into a closed container. Wear gloves and eye protection. Do not release bulk powder to drains.

7. HANDLING AND STORAGE

Handling: Minimize dust. Avoid contact with eyes.
Storage: Cool, dry, 15–25 °C, tightly closed, protected from light and moisture. Lot BLP-PGE-260915-25. Batch size 25 kg.

8. EXPOSURE CONTROLS / PERSONAL PROTECTION

No specific occupational exposure limits. General ventilation adequate. PPE: nitrile gloves, safety glasses. Dust mask if handling open bulk powder.

9. PHYSICAL AND CHEMICAL PROPERTIES

Appearance: fine pink powder. Odor: characteristic, mild. Water-soluble. Extract ratio 100:1. Loss on drying 2.8%.

10. STABILITY AND REACTIVITY

Stable under recommended storage. Avoid prolonged moisture, strong oxidizers and high heat. No hazardous polymerization expected.

11. TOXICOLOGICAL INFORMATION

Not classified for acute toxicity, skin/eye irritation, sensitization, mutagenicity, carcinogenicity or reproductive toxicity under GHS/OSHA HCS at intended cosmetic use levels. Dust may cause mechanical irritation.

12. ECOLOGICAL INFORMATION

Botanical powder. Do not release bulk volumes to surface water.

13. DISPOSAL CONSIDERATIONS

Dispose of contents and container in accordance with local, state and federal regulations.

14. TRANSPORT INFORMATION

DOT / IMDG / IATA: Not regulated as a dangerous good.

15. REGULATORY INFORMATION

Intended solely as a cosmetic raw material. California Proposition 65: no listed chemicals known to this product at reportable levels.

16. OTHER INFORMATION

Revision date: 02 October 2026 **Lot:** BLP-PGE-260915-25 **Batch size:** 25 kg
Prepared for BeautyLabPro / Korabielnikov LLC, Florida, United States.
